BB KING'S BLUES CLUB *The* HISTORY

His reign as King of the Blues has been as long as that of any monarch on earth yet B.B. King continues to wear his crown well. Even at his current age, he is still light on his feet, singing and playing the blues with relentless passion. Time has no apparent effect on B.B. other than to make him more popular, more cherished and more relevant than ever. Don't look for him in some kind of semi-retirement; look for him out on the road, playing for people, popping up in a myriad of T.V. commercials or laying down tracks for his next album. B.B. King is as alive as the music he plays and a grateful world simply can't get enough of him.

For more than half a century, Riley B. King - best known as B.B. King - has defined the blues for a worldwide audience. Since he started recording in the 1940s, he has released over fifty albums, many of them classics. He was born September 16,

1925, on a plantation in Itta Bena, Mississippi, near Indianola. In his youth, he played on street corners for dimes, and would sometimes play in as many as four towns a night. In 1947, he hitchhiked to Memphis, Tennessee, to pursue his music career. Memphis was where every important musician of the South gravitated, and which supported a large musical community where every style of African American music could be found. B.B. stayed with his cousin Bukka White, one of the most celebrated blues performers of his time, who schooled B.B. further in the art of the blues.

B.B.'s first big break came in 1948 when he performed on Sonny Boy Williamson's radio program on KWEM out of West Memphis. This led to steady engagements at the Sixteenth Avenue Grill in West Memphis, and later to a ten-minute spot on black-staffed and managed Memphis radio station WDIA. "King's Spot," became so popular,

it was expanded and became the "Sepia Swing Club." Soon B.B. needed a catchy radio name. What started out as Beale Street Blues Boy was shortened to Blues Boy King and eventually B.B. King.

On May 3, 1991 the original B.B. King's Blues Club opened on the historic Beale Street. Serving as the catalyst, it has now become the number one tourist destination in Tennessee. Like every good blues tune, the audience demanded more, and B.B. King's Blues Clubs began expanding into Nashville, Orlando, Las Vegas and, with the most recent addition in West Palm Beach.

While the clubs are famous for World Class House Bands and great Southern cuisine, they are also known for spontaneous jams featuring the Rolling Stones, U2, Eric Clapton, Aerosmith, Lenny Kravitz, Tom Jones, Paul McCartney, The Beach Boys, John Lee Hooker, Buddy Guy, the Black Crows, Billy Joel and the King of Blues himself, B.B. King.
