CIGARS

MACANUDO MINIATURES

14.00 - Box of 8

An exceptionally consistent cigar, made in the Dominican Republic with Connecticut Shade wrappers that have been aged for at least three years. The cigar has a silky feel to the hand and a distinctive flavor.

ROCKY PATEL NATURAL TORO, VINTAGE 1992

15.00

Renowned for its elegance and balance, this is a mild- to medium-body cigar with a nutty, caramel essence. This line is highlighted by a 12-year-old Honduran broadleaf wrapper that has softened in strength over the years yet gained in complexity and flavor. It's binder is Nicaraguan and the filler is a Dominican & Nicaraguan composite.

PADRON SERIES 3000 ROBUSTO

8.00

This is a superlative smoke made from sun-grown long filler habana that yields a distinctive medium to full-bodied flavor. Damaso Padrón began cultivating the Padron family's cigar-making heritage in the 1800s. Still located in Pinar del Río, the richest tobacco region in Cuba, their tradition has been perfected over the last 125 years.

MONTECRISTO PLATINUM ROTHSCHILD SERIES ROBUSTO, VINTAGE 1999

18.00

These cigars are considered some of the finest on the market. They are medium to full bodied with a sweet aroma and impeccable construction.

ASHTON CABINET TORO

22.00

The Ashton Cabinet is the "White Burgundy" of cigars. "White Burgundy" gets its rich complex taste from the soil and aging of the grape in French oak barrels. The Cabinet's 4 to 5 year old Dominican filler blend has a rich, complex and well rounded taste. The extraordinary Connecticut shade wrapper is aged for an extra year and has an elegant palamino color resulting in a smooth and creamy flavor. The Ashton Cabinet includes no less than six different tobaccos and ends with a "big finish." Seven years pass from seedling to finished cigar before Ashton Cabinet is brought to fruition.

ASHTON VSG "ECLIPSE" TORPEDO

32.00

Powerful and intoxicating flavor with a complex rich finish is the hallmark of this cigar. The VSG is blended exclusively for Ashton by Carlos Fuente Jr. using 4 to 5 year old aged Dominican tobacco taken from the finest and most fertile plants. The distinct flavor of VSG comes from its wrapper grown on a private estate in Ecuador owned by the Oliva family where this proprietary wrapper leaf is grown for the Fuente Family exclusively for Ashton VSG.

FUENTE OPUS X ROBUSTO

55.00

Perhaps the most rare and highest rated brand in the world, these cigars have a world-renowned reputation for quality and class. They are full-bodied with a rich, robust flavor and are some of the rarest cigars in the world. It is elusive to almost every smoker because of its limited production. Prior to 1990 the Dominican Republic was well known for its filler and binder tobacco. Growing wrapper tobacco on the island proved impossible due to the topography of the land and the wind. Carlos Fuente Jr. set out on a mission to be the first cigar maker in the Dominican Republic to successfully grow wrapper tobacco. With the help of cheesecloths to protect the tobacco from the elements, the first successful crop was turned out in 1992. This wrapper is matched with unparalleled vintage tobaccos for its filler and binder and was the first Dominican puro (all Dominican cigar) on the market.
